

Community Open House Education Event

.....

In coordination with Mt. Carmel Township, the Mt. Carmel Township Data Center Team invites you to learn about how data centers work.

Residents and business owners from Mt. Carmel Township and Borough, Kulpmont, and Marion Heights are welcomed to attend.

When: July 21, 2026

5:00 – 8:00 p.m. – Education Open House

There is no formal agenda for the open house. Guests are welcome to arrive at their convenience.

Location: Coal Region Sports Complex

558 West Saylor Street

Mt. Carmel, PA 17851

Format: The open house format will allow community members to meet subject matter experts at key stations to discuss:

- What a Data Center Is
- Economic Growth Opportunities
- Water Needs
- Advances in Noise & Vibration
- Power Generation & Electric Bill Expectations
- Emergency Response Plan
- Environmental Impacts - Focus on Mine Reclamation
- Transportation Planning

The Open House location is accessible to individuals with disabilities. Individuals who require special accommodations under the Americans with Disabilities Act or translation services are requested to contact info@mtcarmeldatacenter.com.
